

Dear Laser Bounce Friends and Family,

Following an abundance of caution and for the health and safety of our guests and our local families, we will be temporarily closing beginning March 16th. We intend to re-open as soon as March 28th based on government recommendations.

As a small family owned and operated business the decision to close our business has been a difficult one. I want to sincerely apologize to the guests that have events booked with us during this time. We will be reaching out to those guests during this situation. During this time, we will be maintaining our facilities to the highest level of cleanliness and safety.

We have had many guests ask how they can help us in this situation. We are offering a FREE \$100 game card on any new party or group bookings for future dates. We also have Game Card Specials available below. Please call us at 1-800-658-8198 for more details.

Best Regards,

*Ryan D'Amico*
